Case Study: Leeds Flagship Store

Before

Challenge

The Leeds flagship store required a complete overhaul to align with SCS's updated brand identity and enhance the customer experience. The project had a tight deadline and specific design requirements.

Solution

Alco Group developed a comprehensive renovation plan that included modernising the store layout, enhancing lighting, and incorporating premium materials. Our team worked efficiently to meet the deadline without compromising on quality.

After

After

Result

The renovated Leeds store became a model for future SCS projects, featuring a sleek and inviting design that significantly improved customer engagement and sales.
